Additional Life Insurance for AFPA Members

LIFE

One of the additional services available to AFPA members is the option to purchase **complementary life insurance on top of the \$100,000-\$200,000 (tier dependent) death benefit that they are automatically entitled to. The additional coverage is not only available to members, but also the spouse of a member up to the total of \$1.1 million. The additional life insurance value is dependent upon the age of the insured and accommodates all incomes and financial situations, acting as a further safety net for members and their families.**

The additional life insurance can be purchased in units, up to a maximum of 10 units per member/spouse at cost of \$3 per unit per fortnight. Whilst AFPA members are covered under the new Four Tier Membership Loyalty Reward Program throughout the duration of their membership, members have the option to continue coverage of the additional life insurance after their employment with the AFP has ceased.

To purchase additional life insurance is an easy 3 step process: contact the AFPA National Office Management Team afpa.office@afpa.org.au or on 02 6285 1677 for an application, complete the application form and send back to the AFPA for assessment.

If you have any comments on this bulletin or any other queries please contact your local representatives or the AFPA National Office on afpa.office@afpa.org.au.
